INSTRUCTIONS TO CANDIDATES.

1. The application form duly completed in all respect should be submitted to the Deputy Educational Adviser, Scholarships Division, Ministry of Education, Government of India, New Delhi so as to reach him not later than the 5th July, 1952. The candidates in Government Service or employed anywhere else must submit their application through proper channel. Applications received direct from such candidates will not be considered. In case of any expected delay in sending applications through proper channel, an advance copy may be sent but it will be considered only if the application through proper channel is received in due course.

2. Candidates are warned that applications received after the prescribed date, viz., 5th July 1952 will not be entertained.

3. Candidates are required to attach two copies of their passport size photograph to their applications with their names written on it.

4. Candidates are required to attach only attested copies of University Degree/Diplomas attested by a Gazetted Officer or a Professor in a University/Degree College in support of statements made regarding educational qualifications in the applications. They are warned not to attach originals of these certificates along with their applications. These should be sent to the Government when called for and must be produced at the time of interview if called. The Government of India do not take the responsibility of returning any certificate or other documents attached with the application. *This should be carefully noted by the Candidates.*

5. Candidates are required to attach with their application a medical certificate from a registered medical practitioner to the effect that they are physically fit to undergo training in West Germany.

6. The candidates should have a working knowledge of German.

NOTES FOR THE INFORMATION OF CANDIDATES AND SPONSORING AUTHORITIES.

1. **Industrial Subjects.**—One hundred places have been accepted by the Government of India for the training of Indian Engineers and Apprentices in German Industries. The subjects in which candidates will be sent for training are given in the following statement:—

(a) Sixty places have been reserved for employees of Industries, private or State owned, and also for those persons who could be sponsored by Industries. Government officials working in technical lines can also be considered.

(b) Thirty places have been reserved for the Scientific Man-power Committee Stipendiaries.

(c) Ten places have been reserved for teachers to be drawn from Engineering and Technological Institutions and from such University Departments. In the case of teachers, subjects in which practical training is desired are left to the discretion of the Head of the Institutions sponsoring those teachers.

2. The minimum qualification required is good academic record followed by at least two years' practical training in respect of candidates to be sponsored by Industries or Government departments. Those candidates who possess very good practical background would also be considered.

3. The age limit prescribed is not less than 20 years and not more than 35 years on the 1st October, 1952.

4. Those who do not know German Language would have to learn it if selected.

5. **Financial Implications.**—The estimated cost of maintenance in Germany is about Rs. 260 per mensem, and the cost of second class sea passage from India to Germany is about Rs. 1,040. It is expected that the trainee will be paid remuneration by German Industries varying from Rs. 200-250 per mensem. In case any remuneration is received by a trainee the fact must immediately be intimated by him to the Embassy of India at Bonn, and this amount will be taken into consideration in fixing the net amount of stipend to be paid by the Government of India and the sponsoring authority to the candidates. The 40 Scientific Man-power Committee Stipendiaries will in

276
addition to the remuneration paid by the German Industries receive a supplementary allowance from Government to cover the remaining cost of maintenance in Germany, and their present stipends will be suspended. The cost of their passage will be shared equally by the Government of India and the Stipendiaries.

The total cost of training (comprising of maintenance, passage from India to Germany and from place of disembarkation to the place of study in Germany and back to India) will be shared on a 50:50 basis between the Government of India and the sponsoring authority or between the Government of India and the candidate as may be agreed upon between the candidate and the sponsoring authority. In respect of the selected candidates necessary written guarantees will have to be furnished to the Government of India to cover their share of the expenses.

6. **Period of Scholarship.**—The duration of scholarships is ordinarily 2 years, but if the prescribed practical training is completed earlier the scholarship period will be reduced accordingly.

7. **Employment Certificate.**—Ordinarily no candidate not sponsored by a recognised Industry, Government Department or Educational Institution will be considered. A certificate of employment in the prescribed form from any one of these authorities to the effect that he will be suitably employed on return to India after training must be attached to the application.

8. **Bond.**—Selected candidates will be required to execute a Bond with the Government of India to serve their sponsoring authority or any other authority indicated by the Government of India for a minimum period of three years after completion of their training in Germany under the Indo-German Industrial Co-operation Scheme.

9. The last date for the receipt of applications in the Ministry of Education is 5th July, 1952.

PRESS NOTE.

Under Indo-German Industrial Co-operation Scheme the Government of India have accepted 50 scholarships for post-graduate studies at German Universities and Technical Institutions for Arts, Science and Medical subjects and 100 places for training in Industries. The minimum qualification is a good degree. For training in Industries candidates are required to possess not less than two years practical experience. The age limit is between 20 and 35 years, but for Medical subjects up to 40 years. Out of 100 places for training in Industries, 10 are reserved for teachers employed in Technical Institutions and 30 for Scientific Man Power Committee Stipendiaries. Candidates or their sponsors will have to meet half the cost of training. For full particulars of subjects, qualifications and other matters, please write to Ministry of Education, Scholarships Division, Government of India, New Delhi. The last date for receipt of applications in the Ministry of Education is 5th July, 1952. All applications should be made on the prescribed forms to be obtained from the Ministry of Education, Scholarships Division, on requisition.
